

THE NORTHGATE NEWS

March birth flowers are the daffodil and the jonquil. The daffodil stands for unequaled love, so giving this flower to someone expresses quite a lot. With their bright yellow petals, daffodils seem the perfect way to say that the sun is always shining whenever your significant other is around. The jonquil signifies a desire that affection be returned. It also is used to convey sympathy.

Management News

PARKING ON WOODS STREET

We have noted that during snow removal at Northgate (and at other times) some Northgate residents have been parking on Woods Street (across North Avenue). This has become a problem due to homeowners not being able to get into their driveways as well as cars blocking mailboxes. **Most importantly however, this is creating a serious problem for emergency vehicles. Should your car be blocking driveways or blocking an emergency vehicle, you could be towed at your own expense.**

Please, Northgate residents, DO NOT park on Woods Street. Let's all be good neighbors and not put anyone at risk.

WORK ORDERS

If you need work done in your apartment please be sure to **call extension 11** at the management office; if you leave a voice mail message on individual staff phones and they happen to be out of the office, your work order will not be addressed.

PLEASE CLOSE YOUR BASEMENT WINDOWS

All residents should check to be certain that their basement windows are closed and locked. With the recent cold weather, an open window could mean frozen pipes and frozen pipes burst! The result, a basement (or basements!) full of water (and possibly a large bill)!

ANNUAL RECERTIFICATIONS--FYI

If you receive a Section 8 subsidy, it is a requirement that you recertify your household composition and income annually. The paperwork to begin this process is sent out to you 120 days prior to the anniversary date of your move in. Please be certain that you fill out your paperwork as soon as it is received and contact the management office promptly to schedule your recertification meeting with Sara or Laura.

From the NROC Boardroom

The NROC Board of Directors met on January 23, 2018. The meeting was called to order at 6:05 by NROC Board President Almir Salkic. Eight directors were present; 6 resident directors and 2 community directors.

A resident guest expressed his concerns about the snow removal process being performed of late. The directors discussed his concerns and asked the Policy Committee to come up with a solution to help the process be more transparent to all residents; the hope is that with the exact decision-making process added to the policy, residents can understand the decision making that goes into the full process for the entire site of Northgate. The process, per the NROC Policy Committee, has not changed (other than to add the language about yellow-flashing lights add in 2014) since the current policy was created and approved by residents in 2001.

Reports were reviewed and approved. Discussion during reports: it appears that Burlington Telecom may be ready to come to Northgate. The Board asked the Capital Needs Committee to look at the Burlington Telecom request. Maloney Properties will contact their representative.

Board Training: Carol Jaramillo, Community Builder presented a flow chart of how Northgate operates regarding financial and policy making decisions. This chart can be seen on **page 3** in this newsletter or online at www.northgateapartmentsvt.org – click on “Community”.

The meeting was adjourned at 7:06 pm.

The next Board of Directors meeting is February 27, 2018. Dinner at 5:30 pm and the meeting starts at 6:00 pm.

The Annual Gathering on March 29, 2018 will take the place of the March meeting.

MARCH - DECEMBER

(No office Closings in March)

2018

Note: When a holiday is on a Monday, the Management Office closes at 12:00 the Friday before.

May 28 (office closed at 12:00 on 5/25/18)	Monday	Memorial Day
July 4	Wednesday	Independence Day
August 16	Thursday	Battle of Bennington
September 3 (office closed at 12:00 on 8/31/18)	Monday	Labor Day
October 8 (office closed at 12:00 on 10/5/18)	Monday	Columbus Day
November 12	Monday	Veteran's Day (observed)
November 22,23	Thursday, Friday	Thanksgiving Holiday
December 25	Tuesday	Christmas Day

Remember, if you call the office number outside of regular office hours, only emergencies will be responded to such as **floods, no heat, no electricity and lock-outs.**

All non-emergency calls will be returned during regular business hours.

If an unknown car is parked in your space and you aren't comfortable asking your neighbors if they know who owns the car, call the office number and ask for help.

The on-call staff will *try to identify* the owner of the car; however, **if your car isn't registered with the management office**, staff will be unable to identify the car as one that belongs on site; the NROC parking policy states that the **car will be towed at the owner's expense.**

Go "NO-TOW" ...Register your vehicle with the office! **It is quick, easy and free!**

CORRECTIONS...February's newsletter mentioned that our Annual Gathering would choose resident directors for the 2017-2019 term. The correct years should be 2018-2020. There is one seat that is being voted on for one year; 2018-2019—the second part of a 2017 – 2019 term.

People Born in March...

People born in March are highly intuitive and it's practically impossible to deceive them. People born in the month of March are blessed with wonderful qualities such as generosity and sympathy. They enjoy volunteering; they are always ready to help those in need. People born in March prefer to escape from the hustle and bustle of daily life and can often be found in a quiet place lost in their own thoughts. They stay away from garish and loud people and would choose serenity and peace over fame and wealth any day. These people are extremely cheerful, and they have verve for life. Their enthusiasm can rub off on people around them. They never lose heart and keep smiling even in the toughest situations. Valleys or deserts, mountains or plains, cold or hot – people born in March can adapt to any terrain and situation. Give these people the basic needs of life and they will survive.

POLICY SPOTLIGHT

Parking

General Rules

Vehicles owned by residents must be registered with Management and have a Northgate parking permit sticker displayed.

There are three categories of parking areas:

- Assigned Parking is for residents. Assigned parking is marked with white lines.
- Permit Parking is for residents with more than one car. Permit parking is marked with blue lines.
- Visitor Parking is for visitors and can be used by residents only when all other resident parking is occupied. Visitor parking is marked with yellow lines. PLEASE NOTE: **Residents are responsible for instructing their guests to park in designated visitor parking areas only. Unauthorized vehicles parked in resident parking areas may be towed.**

Accessible Parking and Fire Lanes – Unauthorized vehicles parked in accessible parking spaces reserved for people with disabilities or in fire lanes will be towed immediately at the owner's expense. No warnings will be issued.

Only one vehicle per parking space; parking one vehicle behind another vehicle in a parking space is prohibited.

All vehicles must be parked in a parking space in accordance with this policy and in a manner, that does not impede pedestrian or vehicle traffic. Under no circumstances may vehicles be parked on lawns, across sidewalks, in "No Parking" zones, or along yellow curbs.

Playing in parking lots is prohibited.

Northgate Vehicle Registration

All new residents who own vehicle(s) must register them at move-in with Management. Current residents who acquire new or replacement vehicles must register them within one week of being on Northgate property. Residents must bring proof of Vermont state registration for each vehicle(s).

Northgate vehicle re-registration will take place annually with recertification.

At registration (move-in, new/replaced vehicle, or recertification), residents will receive one Northgate parking permit sticker for each vehicle registered. The permit must be placed in the rear window of the vehicle on the driver's side.

Vehicles Prohibited on Northgate Property

"Northgate property" is defined as all parking lots, green spaces, and Northgate Road from the rotary to the Management Office.

Prohibited vehicles include:

- Recreational vehicles (RVs), such as campers and boats
- Any vehicle larger than a pickup truck or van

- Vehicles that are not street legal, including but not limited to snowmobiles, dirt bikes, motorized go-carts, four-wheelers, pocket rockets, and motorized scooters

Vehicle Maintenance/Repair

Minor vehicle maintenance/repairs may be done on-site. Any other repair projects must receive prior written approval by Management.

Unattended vehicles on jacks or blocks will be towed immediately at the owner's expense.

Residents are responsible for the costs of repair and clean-up of pavement and/or Northgate grounds due to damages caused by vehicle fluids or equipment used for vehicle maintenance/repair.

Washing vehicles onsite is not allowed due to the need to conserve water. Conserving water reduces water costs and saves residents money.

Northgate Traffic

All vehicles must obey the rotary traffic signs and stay to the right. Residents in apartments 125-130 must go around the rotary when leaving their assigned parking to maintain legal traffic flow.

The speed limit on Northgate property is 25 miles/hour and must be obeyed at all times.

Enforcement

Unauthorized vehicles parked in a resident's assigned parking will be towed at the owner's expense. No warnings will be issued. Unauthorized vehicles parked in a resident's assigned parking space may be reported to Management until 11:00 p.m. Residents must have the following information when calling: make, model, and color of the vehicle, license plate number (and state, if not Vermont), and location. Management will not respond to parking complaints between the hours of 11:00 p.m. and 8:00 a.m.

All vehicles on Northgate property must be in operating condition and registered/inspected according to Vermont state law. If a vehicle is found onsite that is not operable, registered, or inspected, the following will occur:

- First offense: a warning ticket will be issued.
- Second offense: a parking ticket for \$27 will be issued and a meeting will be scheduled with the resident where the resident may respond to the violations.
- Third offense: the vehicle will be towed at the owner's expense.

Continued violations may result in a non-renewal of the resident's lease.

Management is authorized to tow any vehicle, at the owner's expense, that is in violation of this policy or to protect the safety and wellbeing of residents.

Waivers to this policy are at Management's discretion and will be provided in written form.

Resident Owned and Operated

Do you ever wonder what Resident Owned and Operated means or why you should even care? It means that the residents (you and your neighbors) state what is important to you, how your life can be made better and perhaps a little easier right where you live. Why should you care? Because you have a voice that will be heard here at Northgate; you merely need to use it. Here are the ideas that residents have voiced, and which have been implemented, over the years:

Make Northgate Resident Owned and Major Rehabilitation	1989
Resident Policies, for Residents, by Residents	1989
The First Privacy Fences	1990
